

Rick and Shari Meyer EAA Chapter 75 January 6th, Coffee & Brunch

The fascination of flight can't be expressed with words. But it really lies beyond the capabilities of human endeavor. Once you've experienced it, you'll never be able to forget it.

— Friedrich Oblessor, 127 victories WWII.

We are looking forward to hosting the EAA Chapter 75 January coffee and brunch. It's always fun to gather in friendship and discuss the thrill of aviation. We would like to encourage spouses to attend if you so wish. Here are the details for the morning.

Our cabin is nestled on the east side of Camp Liberty, formerly Camp Conestoga, The Girl Scout camp, by Dixon, Iowa. Deer make a daily morning visit across the dam of our pond and Bald Eagles soar over the tree line of our pond.

We want to share this wilderness experience with all of you for coffee and brunch. If you are an adventurous winter outdoors person, please feel free to bring your attire and enjoy the outdoors for a walk, hike, or cross country skiing. If you'd rather view the wilderness from the indoors, we have binoculars to view from the fireside inside our cabin. Photography is always welcomed. The coffee will be on at 8:30 am and brunch will be ready around 9 till noon and the day will continue on till, well whenever the last Pilot leaves!

Go about 4 to 5 miles till you get to Hwy 130 (Plainview) (STOP SIGN) Go straight, continue onto Hwy 40 or 60th avenue do not turn onto Hwy 130 You are heading towards Dixon, Ia go about 4 miles turn left onto Hwy F31 or 295th Street (there is a sign that says Camp Liberty a bit before the turn) If you go into Dixon you've gone too far.—Go over the bridge and you will see some farm houses and a hog barn to the right turn left onto the gravel, 50th Avenue. If you go by Camp Liberty you've gone too far. Go onto the gravel, two hills and turn right at the top of the hill. (I will try to have a marker of sorts sitting at the turn) Don't turn left onto a gravel road. You are looking for a lane to the right at the top of the hill! Follow the lane down and you will see the cabin!!! IF you go around a curve you've gone too far.
